

2013 Pennant

A huge thank you to the ladies who put themselves out to assist our Club throughout the Pennant season. It's a huge commitment for a number of weeks for a lot of players. East Geelong's club spirit lives on!

Division 3

Division 3 didn't cause any trouble for the flag this year and finished a creditable 6th with two wins. Overall, a season to be pleased with considering some of the large handicap differences the girls had to contend with.

Rnd 1: A team loss for the first round, but losses were close.

Rnd 2: With two players out this week, it was a struggle, but there was the one win for the round.

Rnd 3 was back to winning form, with a good 3/2 win. All results were decisive either way.

Rnd 4: With a 'retired, but not given up' player filling in this week, the team had a solid 4/1 win. Great effort.

Rnd 5: Playing the ladder leaders, was going to be tough. Matches were down early, but our girls fought back well. Taking the challenge up to their opponents. Great effort though.

Rnd 6: The hardest round hosting duties.

Rnd 7: The final round we had to win the match or some games.

With our opponents a tough team it was going to difficult, but even with a 3/2 loss, our girls did do well. Another match to the 19th for a win. Well done to all our girls this season!

The more experience, the better you get! Those were the last words from the report from 2012! And how true they sound!! **EAST GEELONG WINS 2013 OTWAY PENNANT!** What a great effort by the entire team, where 13 players contributed. East had a great start to the season winning their first four matches soundly. The final two matches were close losses of 3-2, with the two games in the final rnd, sealing the deal for the flag! **A huge thanks to Sue Tinkler for her great effort as Captain.** What a huge task this season she had. Special mention to Glenice and Judy who played the entire season and only losing one match each! Fantastic! WELL DONE EAST!!!!
